Local #: _____ Out of town #: _____ Cell phone #: _____

Relationship: _____

Grady Veterinary Hospital requires all cats boarding to be on flea preventative (Advantage or Frontline) during flea season (March-October). We also require all cats boarding to have had the following procedures within the last year: FeLV, FVRCP, Rabies and a fecal flotation. If your pet has not had the required vaccines, tests, and treatments, Grady Veterinary Hospital will update your cat to meet the necessary boarding requirements.

We strive to provide the best care and compassion for your pets. If your pet becomes ill while boarding with us, we will attempt to contact you. All necessary diagnostics and treatments will be performed until we are able to reach you.

Collars and tags should be removed from your pets prior to boarding. Grady Veterinary Hospital will not be responsible for the loss of any collars, tags, towels or toys left with pets.

Signature of pet owner/agent: _____
